22 Bog Walkin'

April-May 2008/Volume 30 Issue 2

## FEATURES

### 22 What's Not to Love About a Bog?

*by Sparky Stensaas*

May we suggest planning a pleasant stroll through the fascinating plants and critters in a regional bog - spruce or sphagnum, you choose.

### 30 Wild for Nature

The life around his family cottage gave Andrew McLachlan his love of nature. Now photography lets him take nature home from the lake.

### 36 More Than a Hat

*by Jared Glovsky*

That Up North icon, the Stormy Kromer, was nearly retired several years ago, but an enterprising Yooper kept his head and a warm hat to boot.

### 41 Lake Superior Recreation Guide
